

Subject: Your complaint against Dutch patent attorney Mr. X. in the Disciplinary Board of the Dutch Institute of Patent Attorneys

From: Herman Schumann

Attention:

Dear,

The Disciplinary Board informs you as follows.

Your complaint is directed against Mr. X (octrooigemachtigde) and filed in the Dutch Disciplinary Board. The Board has only jurisdiction as far as Mr. X has acted in his capacity of Dutch Patent Attorney. However, reviewing the case it appears that Mr. X for this case has been acting as a European Professional Representative rather than as a Dutch Patent Attorney. Furthermore, this case is relative to a European patent application which is, in the view of Mr. X infringed by Y (klager), which is an Italian Company, in the territory of Italy.

On the above basis your complaint against Mr. X is **NOT ADMISSIBLE** before this Board.

For your information, please be informed that, in the view of the Board, this complaint may be filed in the European counterpart of the Board according to the below contact information:

Institute of Professional Representatives Before the European Patent Office**
